THIS YEAR'S FESTIVAL

The Yukon Queer Film Alliance (YQFA) is excited to invite you to be part of our 11th Anniversary of the Out North Queer Film (and Arts) Festival that will take place April 15-19, 2026.

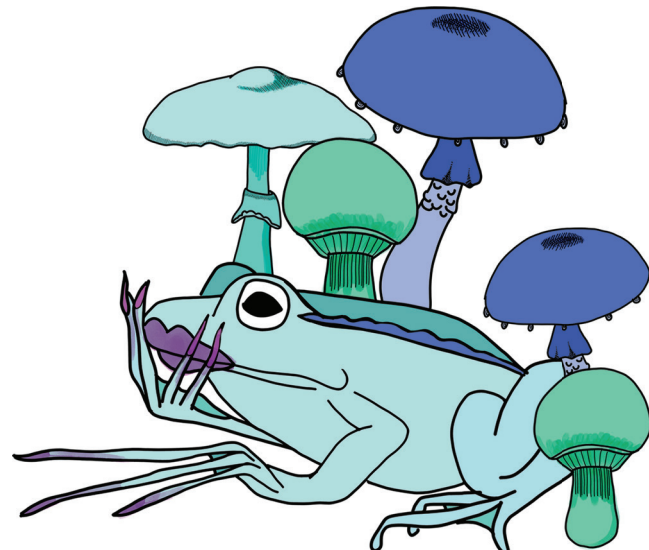

As a non-profit organization, we are always looking for altruistic individuals and organizations to support our work and help us bring an amazing festival to our vibrant community.

Past sponsors have included Baked Cafe, Ignite Counselling, Strategic Moves, Winterlong Brewing and the Yukon Human Rights Commission.

WE BELIEVE IN FRIENDS WITH BENEFITS

There are many benefits to becoming a festival sponsor, including brand awareness, supporting the 2SLGBTQIA+ communities, and participating in our events - just to name a few. Look through our 2026 Sponsorship Matrix to see what you can expect when you become a part of making Yukon's queer film festival happen! No contribution is too small!

If you are interested in sponsoring a screening, workshop, lending a hand, or making an in-kind donation, send us a message at outnorthqff@gmail.com.
